Wodehouse](#), find out more right here.

A PREFECT'S UNCLE BY P.G. WODEHOUSE PDF

Although many might not recognize the name P.G. Wodehouse, they have inevitably come across his work. Wodehouse was a British humorist who wrote novels, short stories, journalism pieces, and other stuff, becoming extremely popular over a 70 year career. Today he is best known for the Jeeves and Blandings Castle novels and short stories, but he was also a playwright and lyricist who was part author and writer of 15 plays and 250 lyrics. Both the name "Jeeves" and the character of Jeeves have become a common part of the English lexicon, meaning a valet or chauffeur. It is even the inspiration behind the popular search engine Ask Jeeves.

Too much detail on the cricket pitch

By Trevor Kettlewell

After defending his first novel, *The Pothunters*, against accusations of being too caught up in the minutiae of public school life, I have to concede in this, his second. Where was the editor? Ball by ball accounts of cricket matches can be hard going in real time, but in fictional accounts it's extremely difficult to care. Particularly about such thin characters that appear and disappear so randomly. It holds some interest as a study in the typical concerns and at times obscure social rules of 'good form' in a British public school in the early twentieth century, but this is hardly why I read Wodehouse. I don't suppose I read him particularly for plot either, but this one is just too much of a mess. The uncle of the title, for example, is central and then inexplicably forgotten. Perhaps the market was for ex or current pupils that could empathise with the situations without needing to particularly engage with the characters.

This is still Wodehouse, and his characters and descriptions often display his (fabulous) characteristic wit. But his love of cricket and rugby here goes beyond charm and into tedium. Later golf books, for example, get the mix right. As I work my way through the unavoidably hit and miss vast canon I hope it isn't too long

before I'm back to hits.

For Wodehouse completists only

By Flash Sheridan

Like Sir Pelham's first book, *The Pothunters*, *A Prefect's Uncle* is largely devoid of the plot, effort, and genius of his later works. There is a rather weak and uninteresting main plot, and a minor subplot that depends on a preposterous and unnecessary coincidence, and there are some slightly memorable characters, so Sir Pelham has made some progress since his first novel.

If you love Monty Python, *Faulty Towers*, *Jeeves and Wooster*...

By Robert McRobert

Swine flu or the recession got you down? Are you pinned against the ropes? Have you got the blues? Melancholia got you in its grip? Worried that Obama may not be able to get your brother-in-law the job running US Steel and thus off your couch? Fear not! The cry goes out: P.G. Wodehouse to the rescue! There is nothing like a good Wodehouse read to cheer one up, not a pill, not a drink, not a men or women - just Wodehouse! Wodehouse is what the doctor ordered to tickle you in the funny bone and get a smile going on the old face.

The plot and nonsense takes place at Beckford College, a school for boys; where we find lots of farce, word play, pranks, excitement and scandal in the school, and the disruption of some important cricket matches - all in the typically wonderful Wodehouse way! This book is totally hilarious! One loud laugh after another! A Wodehouse masterpiece!

If you love Monty Python, *Faulty Towers*, *Jeeves and Wooster*, Stephen Fry, Hugh Laurie, and other witty British Comedies, you'll love this great Wodehouse work. The writing, plot, wit, and word play is spot on. This is timeless stuff. And can I add terrific? This is laugh out loud funny. I adored every moment!
