Review

"We see it all: the unfathomable rubble, the homeless and the hungry, the German soldiers marched off to prison camps. And then: the beginnings of recovery and return of the human spirit. Even if you think you've seen it all before on the European war, Berlin 1945 is likely to surprise you." —Greg Mitchell, blogger, The Nation

"These photos depict a grotesque normalcy, beyond the well known iconography of heroic liberations and optimistic rebuilding." —Der Spiegel Online

"At times eerie and at times prosaic, the photographs, many taken by victorious Soviet Red Army soldiers, show ordinary people doing extraordinary things in order to rebuild their lives, literally and figuratively, amid the ruins of a defeated city." —Jason Walsh, correspondent, Christian Science Monitor

"These never-seen pictures of Berlin in ruins are so forceful, because for those Berliners, destruction was an everyday experience. This view of history does not leave anybody untouched. untouched." —Literaturmarktinfo.de

"A veritable gold mine of historical and, above all, photographic treasures, with something for everyone in this book, and everything in it, from death to birth, from joy to sadness, from optimism to resignation." —Luke McCallin, author, The Man from Berlin

From the Author

About Otto Donath

Otto Donath was born in Berlin in 1898. During World War II, he worked as a photographer for the propaganda company of the Wehrmacht company 689. After 1945, he took pictures first for the Soviet army, later for a number of newspapers and magazines in East Berlin, among them Neue Berliner Illustrierte and Für Dich. He died in 1971, in Berlin.

About Peter Kroh

Peter Kroh, born in 1950, has worked as a photo reporter for a number of East German newspapers, among

them Junge Welt in Berlin, and Thüringer Allgemeine. In 1995, after the Berlin Wall had come down, he moved to the German capital to work for Berliner Kurier. Kroh became the photo editor of the paper. Today, he is retired. He lives in a small town near Berlin.

From the Back Cover

Berlin, in May 1945: World War II is over in Europe. The Soviet army has conquered Berlin, a city reduced to rubble, and now under martial law. Soldiers from America, Great Britain, and France will move in a few months later. Broken tanks and makeshift barricades are littering the streets, tenements and churches were turned into bombed-out shells, tunnels have been flooded and train tracks destroyed. German soldiers are being hauled off to POW-camps in Siberia, while old men are cutting up dead horses for food, women are trading clothing for survival, and children are left to their own devices in the ruins. And the victors, Russian soldiers of the Red Army, look as much exhausted as the defeated. These rare pictures have been taken by photographers of the Red Army and by Germans in their employ immediately after the surrender. They are published for the first time in the United States, allowing a glimpse into an era of destruction and desperation, but also survival and rebuilding.

BERLIN 1945: WORLD WAR II: PHOTOS OF THE AFTERMATH BY MICHAEL BRETTIN PDF

These rare pictures from post-war Berlin have been taken by photographers of the Soviet Army and by Germans in their employ immediately after the surrender and in the months to follow. A city reduced to rubble, and now under martial law, is imposed by the victorious Communists. And now, broken tanks and makeshift barricades are littering the streets, tenements and churches are turned into bombed-out shells, tunnels are flooded and train tracks destroyed. German soldiers have been hauled off to POW-camps in Siberia, while old men are cutting up dead horses for food, women are trading clothing for survival, and children are left to their own devices in the ruins. Published for the first time in the United States, this collection allows a glimpse into an era of destruction and desperation, but also of survival and rebuilding. The preface was written by Stephen Kinzer, the former bureau chief of The New York Times in Berlin.

Poor Quality-Waste of Money

By Bill McFarlane

The book arrived in the mail today and I have gone over it with a fine tooth comb. I am VERY DISAPPOINTED. First of all the quality of the photo's in the paperback book are TERRIBLE. There is nothing in this book you can not see a better and clearer picture of on-line. I urge you to save your money and avoid this book like the plague. Ordering this was a complete waste of money. Like I say you can see the same pictures on line. Cheers Sincerely Bill McFarlane

Lost (and now found) images of battered Berlin

By Kurt Klein

It's astonishing that those photos never surfaced until now, and have only been found a few years ago in a hidden drawer in Berlin. This is a book that shows you a part of history you have never seen before. For instance, I was not really aware that all of Berlin was occupied by only the Russians for quite some time. The U.S. Army only came later. The sheer level of destruction of the city put 9/11 into perspective. There's also a lot of information about the last few battles of World War II, and the inner workings of how the Allies came to their decisions. Another part of the history that we don't hear "or see" much about is the huge masses of refugees, not only in 1945, but for years to afterwards. A must-read for every history buff!

Ten chapters of large black and white photographs. Each ...

By Kai Bolay

Ten chapters of large black and white photographs. Each with a one page introduction setting the scene and

giving context. Each picture has a one sentence caption explaining on obvious details (e.g. location) or context (relevant statistics, etc.)

The pictures are impressive. They show the devastation of war. They show the victorious Red Army. They show defeated German soldiers. And they show civilians trying to survive.

If you're interested in the history of the Second World War - especially the battle for Berlin - you should check out this book.
