Adventurous for the cook and sandwich eater!

By Abie

Baked bean paste on toast triangles and sardines, anchovy paste and chopped egg yolk on english muffins are some of the fare. Dagwood had a rare palette and Blondie had a creative kitchen. Somehow, the recipes work and there are some gems. Would take a lifetime to try them all. Cookbook is a look into the 1940s pantry shelf and is a fun read.

It's fun to own.....

By Bobbe Anderson

But it's not really a cookbook that I'll be using anytime soon. There are recipes for sandwiches that are unique, but I'm not a fan of the ingredients that are being mentioned.
