The distinction is only the forms of the book **Blood On The Boulders: The Journals Of Don Diego De Vargas, 1694-1697 From University Of New Mexico Press**, whereas, this problem will specifically be profitable.

BLOOD ON THE BOULDERS: THE JOURNALS OF DON DIEGO DE VARGAS, 1694-1697 FROM UNIVERSITY OF NEW MEXICO PRESS PDF

Having retaken Santa Fe by force of arms late in 1693, Diego de Vargas faces unrelenting challenges, waging active warfare against defiant Pueblo Indian resisters while maintaining peace with Pueblo allies; providing homes, food, and supplies for 1,500 unsure colonists; and bidding unceasingly for greater support from viceregal authorities in Mexico City.

At the head of combined units of Spanish and Pueblo fighting men, the governor in 1694 leads repeated assaults on castle-like fortified sites. Through combat, prisoner exchange, and negotiation, he reestablishes the kingdom. Franciscans reopen some of the missions. Vargas founds the villa of Santa Cruz de la Cañada. Pueblos north and west of Santa Fe rebel again in 1696; wearily, Vargas reports more blood on the boulders.

Through The Journals of don Diego de Vargas, translated from official and private correspondence, we are drawn back, through conflict and compromise, into New Mexico's formative era.
