"Suddenly, people we used to see on a regular basis are out of church for six or seven weeks. Then they are no longer serving God; they are no longer in the flow of God. They have been assassinated by the devil!"

Powerful

By Tonia Saunders

This book is a powerful tool to stop the enemy in his tracks from taking away those dreams, visions, gifts, talents and healing from you. Many times we as Christians don't fight the good fight for what God already said belongs to us.

Pastor Michael Pitts talks about how you can break the power of the assassins over your life which is powerful and impactful for any Christian that want to rise above defeat and walk in victory. We are to take dominion over the earth through Christ Jesus.
