COMMUNICATING ABOUT HEALTH: CURRENT ISSUES AND PERSPECTIVES BY ATHENA DU PRE PDF

This text provides a research-based thorough overview of health communication, balancing theory with practical advice and examples that encourage students to further develop their own communication skills. In a broad survey of the field, approached from the perspectives of both caregiver and patient, it offers solid coverage of the history of health care, an examination of culture's role in health and healing, and a look at current issues and challenges facing health care. The new edition includes expanded coverage of diversity among patients and of the impact of technology on health care communication today.

Four Stars

By Key B.

Great book I ordered for a Health Communications class in college. The price was very affordable!

A Great Deal!

By Laura Francis

This book was needed for a class about to launch off. I received it in a quick manner, it was in great condition, and I am soon to purchase another book. I couldn't have passed my class without this book and I was excited about getting it on time. Thanks.
