It can be the one that really enjoy reading.

Review

“...phenomenal in visual appearance... Almost every page in the book contains at least one piece of artwork and a piece of dedicated scripture, all of which is printed perfectly on the highest quality of paper.”—Inside the Box Reviews

“While this insight into the backstory of Diablo III is very welcome, at least half the draw of the Book of Cain was in its gorgeous illustrations, the sort of images you only find in concept artwork, except more fully fleshed out and featuring a greater degree of detail. The Book of Tyrael continues this tradition, and is described as featuring ‘stunning original art throughout.’”—The Escapist

DIABLO III: BOOK OF TYRAEL BY BLIZZARD

ENTERTAINMENT PDF

From Blizzard Entertainment, the makers of critically acclaimed games such as Warcraft®, StarCraft®, and Diablo® comes this exciting companion edition to Diablo III: Book of Cain, giving fans an in-depth look into the mind of Tyrael, a key character of th

One of the most exciting and visceral action role-playing games in recent memory, Diablo® has become a worldwide gaming phenomenon. Diablo III: Book of Tyrael takes fans even further into the universe with a detailed and beautifully crafted artifact that focuses on the renowned champion Tyrael. As a former archangel of the High Heavens, he ranks among the most important and influential characters in the Diablo franchise. Here, in this illustrated and comprehensive tome, he reveals never-before-known secrets about the history of the world, the dark threats that yet face mankind, and his decision to join the ranks of humanity as a mortal. Featuring stunning original art throughout, this beautifully illustrated follow-up to Diablo III: Book of Cain will also feature letters from Leah and additional fragments of Cain's writings, all curated by Tyrael as he weaves together a complex and fascinating story for the members of the Horadrim. Also features a fully removable illustration of the Leoric family and other influential characters from Old Tristram; including Deckard Cain, Prince Albrecht, Archbishop Lazarus, King Leoric, Prince Aidan, Queen Asylla, Leah, and Adria. This reversible image would demonstrate their normal appearances on one side, along with a representation of their dark fates on the other.

Great Content BAD Printing!

By Cybrwolf

Today, I have received, and fully read (about 6 hours) the entirety of the Book of Tyrael.

The authors of this book (Matt Burns and Doug Alexander) had quite the task of matching the wonderful writing of Book of Cain (Flint Dille). I am happy to say that they were up to the challenge, and the writing of this book, is every bit as good as what was put forth, by Flint Dille.

As a complete Diablo lore nerd, I cannot begin to describe my anticipation for this particular lore book. I will most assuredly be re-reading this, many more times, before the release of, Reaper of Souls. I am left both satiated, and still wanting more!

If you are looking for more Diablo content, this is what you "should" buy! (Note the word "should!")

For now my friends, is where it breaks my heart, to talk about the flaws of this potentially wonderful book, the printing.

The Book of Cain, was designed and printed with wonderfully detailed artwork, great pagination, smart use of switching between printed and hand-written text. At no time was the TEXT ever unreadable!

Most of this book is suppose to look like Book of Cain pages glued to modern pages.

While I can surely appreciate the artistic intent, the coloring of these pages, is just too dark.

The black text on DARKLY colored backgrounds makes several words in the book unreadable!!!

Far too many of pages are only readable if you have a direct light beaming down onto the book.

For those of you who think I am probably just going blind, let me assure you that I do wear either glasses, or contacts, and have my vision checked yearly. This is not a case of eyesight.

The sections of the book, that do not exhibit this problem are Tyrael's own pages, these are black text, on a greyish background, and are quite pleasant to read.

However, since MOST of this book's content is meant to come from other notes and journals, kept by Deckard Cain, this means that a lot of content is difficult to actually read!

Not all of these "historical" pages are unreadable, in fact the inconsistency, in which each page is readable is absurd. I truly do not know if this was the result of a flaw in the printing process, or overuse of artist intent.

I WANT to recommend this to every Diablo nut out there, but I can't.

The content is so worth paying for, but just not in this format.

Buy it, if you must, but be prepared to read this in the noon-day sun, or with a flashlight.

Angelic!

By Sara Moreland

The book contains beautiful illustrations on quality paper lined with "gold," giving you the feel that this was truly put together by a former angel. The only complaint I have is that we do not hear much from Tyrael. The book seems to be mostly a collection of the studies of Cain and Leah that Tyrael is "publishing" posthumously. However, this does not subtract from the quality of the book or the lore it presents (history, organizations, speculations, important figures in the history of Sanctuary). Like the map contained in the Book of Cain, the Book of Tyrael also has a "hidden treat" in the back of the book - a family tree relating to Tristram and King Leoric. I would recommend this book to any Diablo fan.

Great book!

By Amazon Reviewer

Diablo III: Book of Tyrael

Unfortunately I somehow added two to my cart and since my cart was such a big amount of items I didn't even notice. This really sucks but happens. This book is great and plays well with the game. This was a birthday gift to my husband who loves that it comes with so many extras and it's hard cover. My husband gets compliments on the book all of the time as it looks like a really cool book when it's standing in with other books. The pictures inside are beautiful. There is an envelope in the back with a family tree on both sides that is exquisite. This is just a great book that he would recommend to anyone and everyone.
