DISNEY TRIVIA FROM THE VAULT: SECRETS REVEALED AND QUESTIONS ANSWERED (DISNEY EDITIONS DELUXE) BY DAVE SMITH PDF

Beginning with the July 1983 issue of Disney Channel Magazine, Dave Smith began answering Disney trivia questions from viewers of the Disney Channel. In the ensuing thirty years, his column has continued through multiple publications, including Disney Magazine, the on-line "Disney Insider," and most recently the D23 website. "Ask Dave" questions have come from Disney enthusiasts the world over, and have covered topics ranging from Cinderella's last name (Tremaine) to the number of triangles covering the surface of Epcot's Spaceship Earth (11,324 facets comprising 954 triangles.)

Over 1,100 questions have been fielded by Dave Smith, the now-retired Chief Archivist of The Walt Disney Company, and this book is a compendium of the most interesting and revealing of those queries. The book is divided into chapters that each cover an aspect of Disney history, including Disneyland, Walt Disney World, Disney films, Disney television, and Disney characters. Many of the questions bring up interesting information that has not been published elsewhere, and readers will delight in discovering some of the secrets behind their favorite movies and theme parks. "Did the same actress provide the voice of Maleficent, as well as the voice of Madame Leota, the head in the crystal ball in The Haunted Mansion?" "Who was the first athlete to say 'I'm going to Disneyland!'" Only Dave knows the answers!

Charming, fascinating Q&A book for Disney lovers

By Lizz A. Belle

I learned about this book through the Disney Parks Blog and I knew I had to order it. I am reading it like a novel as the book is divided into categories, almost like chapters, and then in each category are questions from fellow Disney fans and the answers from founder and chief Disney Archivist Dave Smith. Dave has

been doing his job for over 40 years and clearly has access to a wealth of Disney information.

As mentioned the book is broken down into subcategories such as "Disneyland" featuring questions about Disneyland and "Walt Disney" featuring questions about the legend himself just to name a few. I found the section on Disney shorts to be absolutely fascinating as I was unfamiliar with a lot of the things discussed. For example, did you know there are 75 Silly Symphonies? Other things learned: Do you know when Mickey's birthday is? Do you know what kind of dog Goofy is supposed to be? Do you know why Goofy talks and Pluto does not?

Those are just an itty bitty fraction of the questions asked by readers in this book. Even if you are a huge Disney fan and know many, many obscure facts, I am very certain you will come away after reading this with several new tidbits of knowledge to impress your Disney friends.

Dave Smith put together a wonderful book of exciting and interesting information. I highly, highly, highly recommend this book if you love Disney as much as I do. Excellent read!

Disney Trivia book is far from Trivial

By Chris Stach

I was intrigued by this book, having studied Disney in all its many facets, since 1972. The price seemed right, and I was eager to find out what I didn't know yet. I have spent hours reading and rereading this book. There were times when I wished the author had gone into more detail with his answers. But I still regard it as being a valuable and entertaining source of Disney information.
