Are you actually a follower of this Father Forgive Them: The Rachel Plummer Story By Garlyn Webb Wilburn If that's so, why do not you take this publication now? Be the first person who like and lead this book Father Forgive Them: The Rachel Plummer Story By Garlyn Webb Wilburn, so you could obtain the factor and also messages from this book. Don't bother to be perplexed where to obtain it. As the other, we discuss the link to check out and also download the soft documents ebook Father Forgive Them: The Rachel Plummer Story By Garlyn Webb Wilburn So, you might not lug the published publication Father Forgive Them: The Rachel Plummer Story By Garlyn Webb Wilburn anywhere.

# **FATHER FORGIVE THEM: THE RACHEL PLUMMER STORY BY GARLYN WEBB WILBURN PDF**

On a warm, clear day in the spring of 1836 seventeen-year-old Rachel Parker Plummer and her eighteen-month-old baby boy were abducted from their home in central Texas by a raiding party of Comanche and Kiowa Indians. She was, at that time, three months pregnant. Separated from her son and three other prisoners, Rachel was taken to the far reaches of the Rocky Mountains in Colorado and Wyoming where she was held in the bondage of slavery for thirteen months.

Rachel Plummer

By Kenneth M. Edmondson

This is a history fiction book that follows right along with the true life book of Rachel Plummer written by herself. Dialog is assumed in this book and is guided by history of the times and statements from family members. Excellent book as it brings Rachel's own narrative to life.

Ken Edmondson

2 of 2 people found the following review helpful.

Nice attempt but not quite there

By Tara Crow

The book was a nice attempt at telling Plummer's story but fell short. Too many liberties were taken with dialogue, the editing was very poor, and the bias toward the Comanche (of the period) was clear. While the story is an important one to share, it would probably be more beneficial to read Rachel Plummer's autobiography. If you want an overview of what happened to Plummer and do not need the credibility and accuracy of a historical work, this is an acceptable book. However, if you are needing a work for a proper source, this is not it.

Gripping true story.

By PFD

It's a gripping true story. Hard to read a times, not because of the writing, but because of the nature of her captors. It is history and it's well written. It's a short book and a fast read.
