OMG, fantastic!

I loved this story do much! It was a fantastic story with great characters and I totally fell in love with Gavin! This story has emotional ups and downs and they were so well written! I am looking forward to reading more books in this series and I highly recommend this series!

Possibilities

By Nicole H. Vela

Absolutely love Sam Crescent, outstanding writing ,sexsational characters. Gave the book 5 stars. Heidi was looking for a fresh start, surviving a brutal existence and escaping abuse she is looking for a new begin. Moving to Creek Valley to reconnect with her friend Landon, she realizes he is in a committed relationship with Gavin. When they meet the jolt of energy is undeniable, the Dom is in charge and he will have two submissive's. Repairing the fragile state Heidi is in is one thing and bringing her as their third is the second. But adding a third to the mix has its consequences, can love prevail? Gavin wants them both can it work?

Not worth the cost

By Lora905

I just finished 2 other books that were the same length as this one (give or take a page) but packed a lot more

into the story, and flowed better. I did enjoy Gavin's character. Landon and Heidi were a bit on the flaky side, especially when Landon makes a hare-brained decision right after Heidi's arrival. Overall it was okay, but if you buy it, wait until it goes on sale for \$1.99 or less.
