Unlocking the Door of Prosperity in Your Life

Too often too many people have abandoned their dreams, ambitions, and even their destinies in pursuit of life goals for which they have not been called. Godly Success teaches that God is the Author of your godly desires and it is not His will for you to go through life miserably walking in an assignment for which you have no desire or pleasure in fulfilling.

Only when you walk in your true calling will you become the productive person God called you to be.

You must:

- Learn His voice
- Listen to His voice
- Obey His voice, even when it goes against what others think or say.

If you have been wondering about your God-given destiny or searching for your calling, Godly Success answers many of the questions that may be keeping you awake at night. Unleash your inhibitions and fully trust and depend upon God to lead you into a life worth loving.

Tremendous insights and enlightening principles

By Valerie Caraotta

Godly Success: God's Blueprint for Success and Prosperity in Your Life. There are multitudes of "success" books written and schemes to change our lives if we would only follow their "remedies". Godly Success will dissemble a lot of quick fix ideas and replace it with a no-nonsense approach that is not for the faint-hearted. Author Mornay Johnson will candidly demand you discipline yourself and take you on a journey with biblical characters that proved the principles of the Word works. Each chapter encompasses us to be serious with ourselves, admit our weak areas, and apply God's principles in transforming our lives one step at a time. The author will be sincere in telling you that nothing is a quick fix and that character is forged through trials and suffering. What we become in character through time- tested life realities will determine the measure upon which the Lord will entrust us with the anointing. Godly success, you will learn, is not solely measured by one's financial state, but should involve all facets including the spiritual, emotional, physical, and social also.

This book states how imperative it is that we follow our true callings so that we can be in proper position to best benefit the kingdom of God. Misconceptions about ministry callings and marketplace ministers will ring a clarion call that God's provisions and anointing extend to those that are doing what they were created to do. Strategies will be shared on helping us reach our goals and sustaining focus. God's delight in blessing us financially will be refreshing as will being led by His guidance and the favor we can gain from hungering after Him. If you boldly take the first step in reading this book you will dare yourself to ever be the same. Old mindsets will dissolve and you will begin to greater position or reposition yourself to get in alignment with God's plan, God's way, and indeed have Godly Success.

Godly success : God's blueprint for success and prosperity in your life.

By Dodiani

I do not enjoy reading books on prosperity or any books about being successful in the Kingdom of God. One too many books on prosperity was more about money than God. Because this book was given to me by the publisher as a free ebook I decided to read it. From page one I realised this book is different .

The writer emphasises relationship with God and the importance of reading the Word of God, prayer, character and the importance to know what you are called to be and to walk in your calling. He addresses the escapist mentality believers sometimes have and encourages believers to know how to take their gifting into the workforce. He explains how correct placement determines provision.

I cannot help but think the principles in the book are a mixture of motivational talk from a business man who implements business principles in the Kingdom of God but it is done with a difference. The difference is his emphasis on character and walking with God and that his life is an example of what he is writing about. What sets this book apart from other Christian books on prosperity and success in the Kingdom of God is the writer and the book is founded on the foundation of: God first in all.

The book is practical and there are many references to Scripture verses and characters and incidents in the Bible. Based on this I can recommend this book as a good book to read.

My review is based on the free book that was given to me by the publisher. *Godly Success: God's Blueprint for Success and Prosperity in Your Life*

Scriptural Guidelines for Success and Prosperity in Church Ministry or the Marketplace

By Richard R. Blake

Mornay Johnson provides the reader with guidelines for success and prosperity based on Biblical principles in his book "Godly Success: Unlocking the Door of Prosperity in Your Life." Using dozens of personal experiences and testimonies from individuals from all walks of life, Johnson introduces proven principles which illustrate proven practices to help the reader succeed in every facet of life: spiritually, emotionally, physically, socially, and financially.

These principles include:

- * A pattern for living
- * Tools for determining guidance and getting wisdom
- * Important aspects of Christian Character
- * The role of money in the life of the Christian
- * Keys to Godly success
- * A candid look at the role of placement in ministry
- * A new sense of destiny

The user friendly format reinforces these principles through:

- * Inspirational quotes
- * Summary statements
- * Scriptural passages
- * Dozens of illustrative testimonies of success
- * Blank pages for personal notes or journals

Mornay helps the reader understand the role of a "Marketplace Prophet" as a significant ministry opportunity. "Godly Success: Unlocking the Door of Prosperity in Your Life" is for every Christian man or woman who has felt misdirected in fulfilling their calling or who is currently seeking direction in determining their destiny. Highly recommended.
