## Review

“As one of America's foremost integrative cardiologists, Dr. Sinatra wonderfully explains how to apply the invaluable health lessons Tommy Rosa learned on his journey to Heaven. While not everyone has the opportunity to have a NDE, the authors make this rare and special experience accessible - bringing Heaven and Earth just a little bit closer.”

?Mark Hyman, MD, author of *The Blood Sugar Solution 10-Day Detox Diet*

“Health Revelations from Heaven and Earth is mesmerizing. For the first time, the revelations (of Heaven) from a near death experience have been skillfully used to teach us how to live healthfully in our bodies right here on earth. I love this book.”

?Christiane Northrup, MD, author of *Women's Bodies, Women's Wisdom* and *The Wisdom of Menopause*

“Health Revelations from Heaven and Earth is a bold yet loving testimonial that elegantly explores humankind's most transcendent questions. Through first hand experience, Sinatra and Rosa reveal important clues surrounding the great mystery.”

?David Perlmutter, MD, FACN, author of *Grain Brain*

“This book comes from someone who took an extraordinary trip to heaven and came back to impart profound, life-changing lessons. Tommy juxtaposes a deeply spiritual perspective with Dr. Sinatra's practical, hands-on strategies to maintain a healthy, happy mind, body, and spirit. Health Revelations from Heaven and Earth will change your life, so be prepared.”

?JJ Virgin, CNS, CHFS, author of *JJ Virgin's Sugar Impact Diet*

“Having had a NDE at age four, I know the feeling of disappointment I experienced when I didn't die.

Consciousness does not die and the experience and wisdom shared here will help you to live, learn, and accept the truth about life and so-called death.”

?Bernie Siegel, M.D., author of A Book of Miracles

“Dr. Sinatra has always been on the leading edge in whatever he focuses his attention on. He is one of the leaders in natural cardiology and the benefits of grounding or earthing. In Health Revelations from Heaven and Earth, he provides even more insights o how to stay healthy based on revelations gleaned from Tommy Rosa's very special prolonged near death experience.”

?Dr. Joseph Mercola, author of Effortless Healing

“Health Revelations from Heaven and Earth is in equal parts informative, inspiring, and revelatory. Told from two fascinating perspectives, Dr. Sinatra and Tommy Rosa shed new and much needed light on life's greatest mystery. A powerful and brilliant work; highly recommended.”

?Nicholas Perricone, MD, FACN, CNS, author of Forever Young

“Health Revelations from Heaven and Earth connects you to that "impossible to find" place through Tommy Rosa's story. We all want to know...what was there, what was it like, why did you come back? What are the lessons and how do we apply them to the present in order to live a better life physically, emotionally, and spiritually? Dr. Sinatra's section of the book supports that mysterious door that Tommy went through. This book really makes you want to believe and is a riveting read.”

?Suzanne Somers, actress and author of TOX-SICK and Bombshell

“As I read Heaven and Earth the tears ran down my face because I knew instinctively Tommy Rosa and Steve Sinatra were telling us the most beautiful truth about Who is with us every moment and what lies beyond this life. Such honesty and clarity is rare and I thank you for it. We live in a time when "scientific prove" is deemed as the ultimate evidence but Tommy, Steve, myself and many others know there is much, much more than what can be proven with numbers. I urge you to read this book with an open and loving heart so that you too may receive the blessings within. Then, I urge you to carry its healing truth throughout this life so that it can be shared with all of God's children who are suffering.”

?Richard L. Becker, D.O., author of Foundations for Healing

“Every so often, you come across a book you feel compelled to read because it combines so many different aspects of life. Health Revelations from Heaven and Earth is one of those books. I read it, I loved it, I learned from it, and I recommend it.”

?Dannion Brinkley, author of Danny's Day In Heaven

“In the midst of our national health disaster, to encounter a book like Health Revelations from Heaven and Earth is like coming upon an oasis of refreshing water and wholesome nourishment. This is an amazing collaboration between the heaven-inspired spiritual healer, Tommy Rosa, and the humane, artful, highly skilled and down-to- earth heart doctor, Stephen Sinatra. I am certain readers who are lucky enough to read this book will find it life-changing in the best way. I heartily recommend these Revelations.”

?Robert A.F. Thurman, PhD, Professor of Religion at Columbia University and author of Love Your Enemies

“Whether you are a plumber or a heart doctor, the road less traveled always ends in the same place...spiritual enlightenment...as so evidence in this must read, heart moving book. Mr. Rosa's and Dr. Sinatra's Health Revelations from Heaven and Earth is a beautifully orchestrated tapestry integrating mind and body; heart and soul. Don't miss out!”

?Eva Herr, author of Consciousness

“Emily Dickinson said, "The only secret people keep is immortality." Health Revelations from Heaven and Earth brings this "secret" into the open. It's about time, because empirical evidence now shows that human conscious extends beyond the body in space and time. The fear of total annihilation with bodily death has caused more suffering for humans than all the physical diseases combined. This book leads us beyond this grim vision to a destiny full of hope and beauty.”

?Larry Dossey, MD, author of One Mind

“For some decades, we have learned about the imperative to treat health in a holistic manner. Such an approach has included physical, emotional, social, psychological, and cultural dimensions, but now a highly-regarded cardiologist includes spirituality into the mix. Heaven and Earth takes us on the next step to an authentic holistic paradigm.”

?Nathan Katz, PhD, Professor of Jain/Religious Studies, Florida International University

In 1999, Bronx-born plumber Tommy Rosa died in a hit-and-run incident. Lying by the road, he felt a tug whisking him off into a tunnel of light to meet his Divine Teacher in Heaven. After several weeks in a coma, Tommy returned to Earth with a new, heightened sense of connection to the other side.

Around the same time, Dr. Stephen Sinatra, an integrative cardiologist, was dismantling the prevailing ideas of preventive pharmacology with his holistic approach to treatment. When a chance meeting brought the two men together, they realized that the revelations of healing that Tommy had received in Heaven aligned with the groundbreaking results Dr. Sinatra was seeing in his own practice and scientific research.

In *Health Revelations from Heaven and Earth*, Tommy reveals his 8 Revelations, gleaned from God, that will lead you toward revitalized health, a newfound sense of purpose, and spiritual balance—fully corroborated by Dr. Sinatra's four decades of medical expertise—bringing Heaven and Earth a little bit closer.

To say this book is amazing would be an understatement

**RUN, DON'T WALK, TO THE NEAREST BOOK STORE TO GET THIS BOOK AND START READING!!!!!!,**

To say this book is amazing would be an understatement.. Tommy has literally spelled out, in black and white, so simply yet eloquently, the most powerful truths that he brought back from heaven. As I finished reading this book, and closed the cover, I could not stop crying. I wasn't crying because I was sad, I was crying from a sense of elation. Finally, there it was in writing, you can 'DO THIS RIGHT' and make the world a better place to live in. The next thing you'll want to do, as I did, is get a copy of the book for everyone you hold near and dear to your heart.

Like it says on the cover....MESMERIZING. I could not put it down. What an amazing journey Tommy Rosa experienced and came back to share. As I read about his journey I felt like I was experiencing it with him. Everyone should read this Amazing book and feel the Love that radiates from it. This is a perfect gift to share with all my friends. I Love this book and the Hope that radiates from it. Bless you Tommy!

A MUST read!!! If you read one book in your life, make it this one!!!

By Michthedish

I discovered this book when I heard a radio interview of the author, Tommy Rosa. He shared his experience of being hit by a car, his soul ascending to heaven and going into a coma for almost three weeks and his journey afterward to heal and find his divine purpose. A teacher guided him all over heaven and revealed a huge amount of deep, beautiful knowledge that is designed to raise your vibration, comfort the restless mind and practical ways the body can heal itself are revealed. When I heard Tommy's voice on the radio show, he had such sincerity, kindness and confidence, I felt such a ring of truth, I bought the book. Boy, am I glad I did. The book is easy to read, written clearly and he really makes you feel like you are on the journey with him. Tommy is so real and cool, he is completely relatable. He was a successful plumber before this event, but his near death experience left his life forever changed. He describes heaven in such detail, reveals mysteries, asks and answers questions of his guide as he sheds more and more light about what this journey on Earth is all about and what happens after your physical body is gone. What is extra special is he came to meet Dr. Stephen Sinatra who is a pretty famous and renowned Cardiologist. He became the co-author of the book and he adds proven medical knowledge that backs up what Tommy learned in Heaven. The impact Tommy's story had on me was profound. I immediately bought 15 copies (I plan to buy more) for people I love and even random people I have encountered in my life. I cried tears of joy as I read it and absorbed the truth of the revelations. My eyes were opened to the beauty of the Earth, nature, and my connections deepened to other human beings and I felt a springboard to a more positive and enlightened existence. It is transformational, inspirational and I recommend it for everyone. It has nothing to do with organized religion. It has to do with an ordinary person having an extraordinary experience and being compelled to find his courage and his un-selfish road to sharing these important revelations with the world. My life is happier and more fulfilling, my relationships closer and my human experience has been given a deeper meaning from reading this book. It is touching, heart wrenching, intelligent, funny, and there is even an amazing love story all wrapped up in 231 pages.
