New to the Philadelphia area, Trevor is instantly taken with Ava's beauty and witty attitude. After sharing an unexpected but amazing kiss, Trevor manages to stick his foot in his mouth and watches as Ava walks out of his life before he has a chance to explain. When the two unexpectedly cross paths again, they struggle with the undeniable chemistry between them. Ava fights to keep it platonic, afraid to get hurt again, as Trevor sets out to change her mind. With a little bit of humor, a lot of drama, sexual frustration, dancing and plenty of alcohol, Ava realizes that Trevor just might actually be perfect for her.

Sweet steamy Romance!

By Amy McClung

This was a quick enjoyable read. The characters were a lot of fun. I enjoyed their clever quips. The scenes at the club were my favorite with the conversations that went on. It felt like a night out with my own friends and I laughed many times at things that I could imagine us saying to each other. This is simply a love story, no shock factor, no crazy cliffhangers...a love story pure and simple. I enjoyed Trevor and Ava's story and thought it was well told and very romantic and sweet. The side characters, Nick, Talia, and Tom were comic relief that I truly enjoyed and would love to read more about. I recommend this if you are looking for romance, steamy scenes and some quirky characters! I'm starting Book two now!!

Quivering Loins

By Tracie Lampe

The banter between Ava & Trevor is pretty funny.

Ava was burned and it's hard for her to let Trevor in and Trevor well he isn't one to have a relationship but when it comes to

Ava he is seeing things in a new light.

Ava's Best Friend Talia is Hilarious! The next book in the series is about her and Tom, one of Trevor's friends. Quick Read, Great Romance, Hot Sex.

Ending had enough closure but I have a feeling we will hear a bit more about Ava & Trevor in "A Part of Me" due out in Jan. 2013

Quotes:

""Amen Sister! I run with scissors too, because I'm a rebel like that--yeah! Keeping it real. You underestimate me my friend."

"Holy quivering loins Batman!"

"My business isn't your business. So unless you're my thong, don't be up my a\*\*."

I want to be their friend!

By Amazon Customer

I read a lot. A. Lot. I often find books that I recommend to my friends, and this is definitely one of them (the whole three-book series, actually). But it's rare that I finish a book wanting to actually be a part of it. This group of friends was written so well that I feel like I actually know them. The writing was fantastic. The relationships grew realistically. It's worth the money and the time - buy it, you'll see!
