How Fast Two Lives can Change in 5 1/2 Hours

A few housekeeping details. I was gifted with the ARC (Advance Readers Copy) of the book for an honest review. Also, this is the 6th installment of the serial "Life before Damaged" volumes 1-5 are available here and I highly recommend that you read them first. That being said, a lot happens in a very few days.

The author again gives us an intriguing glimpse into the high rolling lives of the Granz and Ferro families from Gina's perspective. They don't have to play by the usual rules, Money has Power. I COULD NOT put it down. Finished it in one sitting. Where will this new relationship between Pete and Gina go in the next 9 months 4 days and 2 hours ?

Wonderful emotional journey, funny and fantastic!!!

*** ARC Review ***

So Life Before Damage Vol. 6 is a continuation of a series of books that already have been published (vol 1-5 are available). And if unfamiliar with H.M. Ward's work, what I will say it is a Ferro family series. And the LBD series is a prequel to Damage 1 & 2 and can be read separately as a standalone series but I HIGHLY recommend you read Damage 1 & 2. As for LBD 6, this volume left me speechless. It was flippin' brilliant in every sense of the word!! H.M. Ward left us in such a tizzy after LBD 5 and what can I say, she has done it again! This installment was EPIC. LBD 6 left me screaming, laughing (I did a LOT of this especially with Gina's bbf), crying and wanting for more. Ms. Ward has a way of giving all her characters life. Some characters I wanted to high-five, some I wanted to ball sack punch, and some I want to just hug. As much as we all want Pete Ferro and see his journey unfold. This is very much a Gina Granz story and I love every minute of it! It is a personal journey of growth and ultimately Pete and Gina's love story for those who are really afraid to pick up the Life Before Damaged series after reading the Damaged series. It's REALLY good, you are missing out on seeing the full picture of Peter!
