Old favorite never disappoints

By C. Gunther

I just saw the movie version of Shadow Riders again and thoroughly enjoyed it. The movie had plot differences from the book, but still remained a good yarn. The differences led me to reread the original book and it was excellent, too. Now those are Westerns! (No Cowboys and Indians, just Cowboys and Outlaws) I hope you enjoy them as much as I have.

I also enjoyed the movie based on it

By One-L

The novel is compelling. I also enjoyed the movie based on it. Good tale for both.
