Most helpful customer reviews

6 of 6 people found the following review helpful.

Decent Textbook

By S. Lok

Chapters are sometimes lengthy but overall a good textbook to use for microbiology. Easy read and very easy to understand.

0 of 0 people found the following review helpful.

I literally purchased this for a college course

By Lisa M. Gray

I literally purchased this for a college course. It was not a leisure book.

0 of 0 people found the following review helpful.

Five Stars

By Amazon Customer

The book was very helpful. I saved a lot of money buying a used book.
