If not for price, would be 5 Stars

By SCOTTY D0

The product is top quality. Perfect for learning Hiragana.

The US cost for this (BEFORE SHIPPING) should be \$18, not \$46.

Honestly, more than a 100% markup, that's ridiculous.

Love the Moekana cards !

By Teardrop

The cards are of fairly thick stock, and are extremely cute and colorful. Wish I had purchased a second set, so I could play karuta with them, as is suggested on the website :P
