G.M Berrow continues to delight Pony fans of all ages. :D

By MexterO

G. M. Berrow knows how these ponies tick and what makes them appeal to the broad range of fans this generation of My Little Pony has gained. I've been a fan since 2010 and I'm 24 year old guy. The stories may be simple and of course an easy read to an adult, but being fan of the show makes these stories so much more. :) Also yay for Berrow, giving Lyra and Bon Bon an approximate college aged mares. Haha, that little detail makes this book totally sweet. XD
