PIERO FORNASETTI: PRACTICAL MADNESS FROM RIZZOLI PDF

An extensive illustrated survey of one of the most inventive design minds of the twentieth century. Combining whimsy and elegance, Piero Fornasetti transformed everyday objects like cups, scarves, and plates into much sought-after works of art with his idiosyncratic motifs, such as the hand, the female face, and luminescent fish. His dazzling pieces of trompe l'oeil furniture, created in collaboration with Gio Ponti, are also highly prized by collectors worldwide.

Fornasetti's boundless imagination is celebrated here in a book published to document a major retrospective exhibition at the Musée des Arts Décoratifs in Paris. The first half of the monograph is organized by type and includes Fornasetti's paintings, drawings, and furniture. The second half focuses on favorite themes: his use of trompe l'oeil, architectural drawings, and his variations on the face of a famous operatic beauty. Featuring 400 illustrations covering almost fifty years of a protean and prolific designer and artist like no other, this is a must-have for Fornasetti connoisseurs and anyone interested in design.

Great Coffee table book

By Alexandra Boyd

Got this as a gift for a collector of Fornasetti plates and she absolutely loved it! Makes a wonderful coffee table book!
