IMAGINATION EXPLOSION

By WALT TURLO

John Shea stories cause us to find the child within and to sink into the kaleidoscopes of our imaginations and to play in the world of wonder. The stories all take one to depths of that inner place where the Spirit of God plays and dances. The images are rich and altogether Shea. His expertise in story telling is subtle yet profound. This is a rich find for anyone looking for the divine in the day to day . . . . .
