Although it is still a quality devotional, I prefer the first one by this title.

By Kay. Griggs

For one thing, this one is in very fine print and it is difficult for me to read, but I also didn't find the content as good as with the original book of the same title.

Streams in the Desert Vol. 2

By Fatha Strong

WOW! I thought Vol.1 was an unbelievable devotional, but Vol.2 is just as inspiring! If you are in need of uplifting and daily encouraging words from God's Holy Word these two books will do the job. I have given copies of Vol.1 to relatives and friends, they were all blessed. I finally found Vol. 2 on Amazon and I'm being blessed everyday
