Guide such as Tacky The Penguin By Helen Lester as well as others can be obtained by clicking great on link download.

From Publishers Weekly

None of the penguins can tolerate Tacky's loud habits--until they scare off a pack of hunters. PW declared that "this book is must reading for any kid--or grown-up--who refuses to follow the pack." Ages 4-8.

Copyright 1990 Reed Business Information, Inc.

From School Library Journal

Kindergarten-Grade 2 Tacky the Penguin is a total nonconformist who lives with a group of formal, proper penguins. But it is Tacky who foils the plans of three critters with "get-rich-quick plans" that threaten the penguins' existence. With his un-penguin-like antics, Tacky puzzles the hunters to such an extent that they're firmly convinced they cannot be in the "land of the pretty penguins." This is a rollicking tale that clearly shows that there are advantages to being an individual. Mun singer cheerfully captures the mood of the tale with her whimsical, full-color illustrations that are particularly strong in depicting the hunters' deter mined, then befuddled, expressions and Tacky's madcap antics. This is sure to elicit lots of chuckles from young readers. Bonnie Wheatley, Emma Conn Elementary School, Raleigh, N.C.

~~ Tacky is unique and happy to be so ~~

By Richard and Liz

Tee Hee! Tacky the penguin is an oddball or at least that is what his penguin friends Goodly, Lovely, Angel, Neatly and Perfect think! Why? Well let's see... Tacky doesn't greet them quietly and politely, he doesn't

march in time, he can't dive gracefully and you should hear him sing! One day however, the hunters arrived. What do all the other penguins do? Hide! What does Tacky do?

A truly delightful story reinforcing the fact to young children that it is alright to be different and in fact being different can, at times, have a distinct advantage. I am not advocating bad manners here nor do I think the author is either. Balance is everything but children do not have to all be the same nor do they all need to follow the crowd. Individuality is the key. This book was on our son's second grade "Suggested Reading List" so I purchased this USED from Amazon. I was not required to do a review but chose to do so. Thanks, Liz

We Love Tacky!

By J. Fancher

My Aunt who was an elementary school teacher recommended this book to me for our two kids. My boys love it! My 2 year old wants me to read it 4 times in a row..complete with funny voices. Highly recommend!!

It's too short

By Lisa Crater

I love the book but its too short I would like it to be more exciting and funny* like the other books. I definitely like the other books better

* and it doesn't add any details
