Review

'Meticulously researched and yet touchingly personal... We know so much about Ruskin and Millais - so little about the most influential woman in their lives. Effie's story is emblematic of the struggle of Victorian women' Emma Thompson 'Effie Gray's story is extraordinary and Cooper feasts upon it with appetite...I cannot recommend Fagence Coopers biography of Effie Gray more highly to anyone with a heart, a liking for a goods read and an interest in things Victorian' Henrietta Garnett, *Literary Review* 'This is an exceptional book about an exceptional trio and the exceptional families that formed them' *The Scotsman* 'At last Effie Millais has been given her voice and it is marvelous one. Effie emerges as a courageous, intelligent, resourceful, woman who refused to go quietly. In unsettling Victorian society, she left the door ajar for generations of women. Suzanne Fagence Cooper elegantly brings to life the glittering world of Victorian art and the socially complicated one of a woman who wed the two cultural giants of the age and not only survived, but thrived! Effie's story is a haunting one. I couldn't put it down' Linda Lear, author of *Beatrix Potter: A Life in Nature* 'This 19th century artistic love triangle is very readably brought to life...' *Metro* 'Paints a charming picture of what life must have been like in the middle of the nineteenth century... fascinating' Adam Hart-Davis 'A joy to read... A wonderful, rich book' Emma Thompson 'Truly fascinating' *Scottish Sunday Herald*

About the Author

Suzanne Fagence Cooper spent 12 years as a curator and research fellow, studying the Victorian collections of the V&A Museum. She has written several books and essays on the Pre-Raphaelites and Victorian women. Her knowledge of 19th century art has led her to work as a consultant for BBC TV and radio. She lives in Yorkshire.

It will certainly not make you feel weary. Besides, by doing this will certainly additionally improve your life high quality.

THE MODEL WIFE: THE PASSIONATE LIVES OF EFFIE GRAY, RUSKIN AND MILLAIS BY SUZANNE FAGENCE COOPER, SUSAN FAGENCE COOPER PDF

Effie Gray was at the centre of Victorian England's most scandalous love triangle, involving two giants of the art world. In 1854, refusing to tolerate her increasingly abusive first marriage to John Ruskin, the leading art critic of the time, she requested an annulment. Later she was able to rebuild her self-esteem and reputation and to find happiness with the painter John Everett Millais, Ruskin's acclaimed protege. Suzanne Fagence Cooper has gained exclusive access to Effie's extensive and previously unseen letters and diaries to reveal the reality behind this great Victorian love story. A major critical reassessment of the Victorian art world, the book addresses the careers of Ruskin and Millais from a new angle, with Effie emerging as a key figure in the artistic development of both men. Effie, her sisters and daughters appear in many of Millais' most haunting images, embodying Victorian society's fears about female sexuality and freedom. "The Model Wife" is a compelling portrait of the extraordinary woman behind some of the most beautiful and celebrated pre-Raphaelite paintings.

Amazingly written - you dont need to love history to love this...

By fred

I bought this book for something different to read, however I thought it may have been a bit too 'historically factual' for my simple fiction mind! but I could not put the book down. Suzanne Cooper has written the entire book in such a seamless way between historical fact and the tantalising story of Effie that you just want to know more. Effie was a brave, confident woman who fought for what she wanted and had alot of heartache in her life that keeps the pages turning!. The book is set within the victorian era from family letters that have been recently released to Suzanne Fagence Cooper by Effie's remaining family, filling in the gaps of Effie's story that were already known. It is clear from the book that Suzanne has an amazing insight into the victorian era and she really does transport you back in time. I look forward to any of Suzanne's future releases and would highly recommend this book.
