I am normal, I am not dummy !

By Gustavo Carvalho de Vasconcellos

I am sure that you are a not a dummy student but , unfortunately, normal people can have a very hard time with this exam. So, if you are a normal person, this is a great book to start your preparation. There are other good books, like "Cracking the Toefl CBT", "Arco preparation Kit for the Toefl" or "Longman Preparation Course for the Toefl Test", but if you don't have time, this book aims you to deal efficiently with this crisis, saving your time and getting you out as quickly as possible.
