Excellent cookbook

By loves to cook

This is a terrific vegetarian cookbook. It includes recipes from many different types of cuisines and everything we've tried in it has been delicious and generally pretty easy to fix. And even though it covers a lot of ground, the recipes are truly unique and taste amazing. We cook a lot of Indian food, yet there were recipes for things we weren't familiar with that anyone who loves Indian food would enjoy... try the lemon dal.

Great Book

By Jessamy

Easily the best Vegetarian Cookbook I've seen and I have seen a few. Comprehensive range of recipes from different regions. The food is easy to make and extremely tasty.

Definitely worth a look for anyone interested in vegetarian recipes.
