No-nonsense answers for those on the spiritual path.

Are you one of those people that has been on the spiritual path for many years searching for answers? Do you, after all this time, still draw a blank when it comes to who you are, why you are here, and what you are here to do? Then you are why I wrote this book.

As one who has asked these questions myself, I understand the frustration that comes from not knowing. For those of you who feel that you don't belong on this planet, and perhaps are a walk-in, Part 1 will provide many insights and answers.

If you want to know what really happened on earth and the facts about our origins, how we got here, who are creators are and their real agenda, check out Part 2-Universal History. You'll be surprised!

Want to recode your DNA so that you can hear your guides, be able to speak to Beings on other dimensions, and for you ETs, reconnect with your family "back home?" I can help. In Part 3-DNA Recoding, I share with you the techniques that I used to be able to do these very things.

In *We are the Nibiruans*, I provide answers on a multitude of topics that people have been researching for years. Many times I am told that this book provides the "bigger picture" and brings all the pieces of our history, our origin, and where we are headed, together.

Please feel free to contact me with any comments or questions that you have. I really enjoy hearing from you.

Warmest Regards, Jelaila Starr

- Why are they sending members to Earth?

Jelaila Starr gives us the answers. The Nibiruan Council designated her to work with those who are ready to receive the realignment and fusion of our twelve strands of DNA. Only then can we become fully conscious and able to receive transmissions from incarnate beings beyond our 3rd dimension.

When enough of us have completed this process, "Recoding, Reconnection and Activation", the increased mass consciousness frequency will shift our planet into higher planes of the 4th Dimension and will diminish the pending "Earth changes" crises that are predicted.

Gain a better understanding of the Walk-in phenomenon, what Starseeds are doing for the planet, and what the Starseeds will receive when this mission is over.

Learn the history of this planet and the universe from a higher dimensional perspective of the "bigger picture"--one that is not in our history books. How did we really get here and who is really working with us? The answers are here.

*We Are the Nibiruans: Return of the 12th Planet*

By A Customer

Basically a good book, but I think "ANU" is not quite as nice a guy as he tries to be. Will upset some readers. This book has a great deal of the real history of the earth, and the galactic wars fought here. They didn't teach you this stuff in school, and they didn't teach you this quite correctly in the Bible either but it is basically correct, and will startle and upset readers not ready for this book. It is about the "Lord God of

Israel, etc., who is not the real god that many in Christianity, Islam, and Judiasm believe in. You will discover that Sodom and Gomorrah were nuked by a Platonium bomb, that the God you think you believed destroyed them is not who you thought. You will learn who "made you in the image of God". Very enlightening. If you have the feeling the truth has been covered up, you are right, and much if it is here.

One of the best spiritual books you can ever buy!

By Steve Ferguson (73160.3421@compuserve.com)

This book starts out with one woman's spiritual journey to discover who she is and why she is here; not unlike what I, and many others go through seeking answers seemingly in the dark. With heartfelt honesty, she traces her often severe trials of being a walk-in to not only overcome the many obstacles in her path but also blazes a trail that others can follow.

With her rediscovery of herself and with the help of her many guides, she gives a synopsis of the vast universal history of which we all are a part of, as well as referencing many of the humanoid and reptilian genotypes found within our galactic neighborhood.

She saves the best part for last. The crown jewel of the book, in my opinion, is the "Formula for Compassion". It is a step-by-step tool/method to deal with any of life's problems and people that seem to be an obstacle. Bottom line, it helps the individual see and learn what life lesson has presented itself in any situation. It is a simple and easy process to use, and is something that anyone can do. It is often quite surprising what you can learn about yourself with this powerful method. For those Carlos Castenada fans, it is somewhat similar to recapitulation, but unlike Castenada, it is something anyone can do without any training. She also explains how the Formula of compassion relates to DNA Recoding, Reconnection, and Activation, and how it relates to soul advancement.

Five stars is not a high enough rating for this work. For those who have been "searching for answers" for a long time, will immediately recognize the value of this book. As a reference guide, I find I continually go back and re-read many parts, often picking up things that I had missed previously. For what it has done for me, I can only thank Jelaila for writing such a down to "earth", concise, and definitive spiritual book.

Finally, A Cosmic Paradigm that Makes Sense!

By Greg Mize

In "We are the Nibiruans", the entire genetic cosmic puzzle is laid out and the pieces put together so one can see, compassionately and clearly, where one fits in the "cosmic soup" of life. If you've ever read "The 12th Planet" or similar works and yet somehow felt something was missing, or it left you cold, this book will definitely shed light and answer all your questions on the topic. It does not pit one genetic group (reptiles versus humanoid for example) against another, instead, it helps you understand where we may have come from and where we are likely headed. Not only does this work take the idea of ET connections out of the realm of theory, it prepares your psyche for real contact with compassion. Please do the planet a favor and read this book!
